

Our training courses

We offer a wide range of enjoyable and high quality training courses from forensic fire investigation awareness courses to a detailed 5 day course which will provide the client with the essential skills to investigate and report a simple fire scene.

Each of our courses have been designed, and are delivered and coordinated by experienced practicing forensic scientists specialising in the field of fire investigation. The courses have been tailored to meet the needs of professionals involved in fire investigation.

We offer an extensive range of fire investigation training solutions:

- Fire investigation basics for solicitors and barristers
- Forensic fire investigation awareness
- Half day fire investigation
- 5 day fire investigation (44CPD points)
- Fire Investigation refresher training

Contact Us

If the listed training courses do not meet your current requirements then please do not hesitate to contact us to discuss a bespoke solution for you.
